presents:

Boot Scootin' Bow Wow

Fun Day 2010

Dear Guest,

Your reservation for Boot Scootin' Bow Wow, the 52nd Fun Day, has been made for Saturday, July 31st on the San Rafael, California campus. This is our annual Guide Dogs for the Blind puppy raiser recognition event and we look forward to kicking up our heels with you!

As always, we are expecting a large crowd, including puppy raisers, leaders, breeder custodians and of course, all those puppies! Registration begins at 8:30 a.m. and the day will end at approximately 2:30 p.m. with the puppy delivery.

July in California can be HOT, so come prepared for you and your puppy! We will have a rest spot for tired, hot puppies to cool off. We encourage you to bring your cameras to capture your special moments on film (or memory card). Also, our Development Department will have a professional photographer available to take a great photo of you and your puppy, so come prepared!

A barbeque lunch will be served beginning at 11:30 a.m. and continue until 1:00 p.m. As a special treat, we will also have lunchtime musical entertainment provided by one of our graduates and her partner.

A schedule of the day's events is included in this packet. As you can see, there will be a full day of activities to keep you and your puppy busy! Don't miss the great games, activities and presentations that make this day special.

A map and directions to off-site parking are also included. Carpooling is highly recommended due to the size of the event.

In addition to being open on Fun Day, the Gift Shop will be open on Friday, July 30th from 9:00 a.m. to 5:00 p.m., so if you can, stop on by to beat the big rush!

We look forward to seeing each and every one of you!
