OUR MISSION
Guide Dogs for the Blind empowers lives by creating exceptional partnerships between people, dogs, and communities.

OUR VISION
We envision a world with greater inclusion, opportunity, and independence.
Greetings!

Fiscal year 2020 was like no other. When the coronavirus hit, your unwavering support helped us find innovative ways to continue our life-changing mission.

This year, we decided to call our Annual Report a **Gratitude Report**. That’s because we are so grateful for **YOU**, our amazing community of donors, volunteers, board, staff, and alumni for your continued encouragement and support through these unprecedented times. It is often said the difference between a good organization and a great organization is the support of its community. Thank you for making GDB great!

With gratitude,

Christine Benninger, President and CEO
Our youth programs provide youth who are blind or visually impaired and their families an opportunity to explore the guide dog lifestyle at a young age, which has the potential to change the trajectory of their lives.

**K9 BUDDY PROGRAM** matches children and young adults with special dogs to be their companions.

**CAMP GDB** is a summer camp where teens explore the companionship, independence, and responsibility of having a guide dog.

**GUIDE DOG LIFESTYLE WORKSHOPS** offer hands-on workshops for people of all ages interested in guide dog mobility.
Many potential clients who are blind or visually impaired lack the orientation and mobility skills needed to have a guide dog. Our Orientation and Mobility Immersion Program is a free, week-long immersive experience where clients learn to travel safely using a white cane and develop skills and strategies that will translate when working with a guide dog. In fiscal year 2020, 118 clients completed the program.

“My instructor Angela was so collaborative and helpful! As I await my new guide dog, I am filled with a sense of self-reliance, anticipation, and endless possibilities.” —Marta Van Leuven, client
Our mission is made possible by our passionate community of supporters. In fiscal year 2020, approximately 60,000 donors, 2,500 puppy raising volunteers, 700 campus volunteers, and 180 breeder dog custodian volunteers supported our canine heroes through every step of the way in their life-changing work. We are so grateful to all of you for your investment in GDB!
Every day our medical team works to ensure the health and safety of our guide dogs. Thanks to your generous support, our critical care program pays for emergency services and procedures for the life of our guide dogs. This gives clients peace of mind to pursue their goal of greater independence and inclusion, without worrying about the cost of veterinary care for their guide dogs.
“At GDB, we are committed to providing exceptional training to fit our clients’ individualized needs so they can live the life they want to live.”

—Jeff Grey, Master Guide Dog Mobility Instructor
TEAMWORK
“HAVING MANNIX DID MORE THAN IMPROVE MY MOBILITY AND INDEPENDENCE. IT HELPED BOOST MY CONFIDENCE, AND HAS ALLOWED ME TO ACHIEVE THINGS I THOUGHT NEVER POSSIBLE. IT HAS LED TO ME ACHIEVING GOALS AND DREAMS.”

—Brian Mucyo, client

Brian attends Grand Canyon University where he is the President of the school’s International Club and works to advocate for cultural awareness and inclusion.
We know that when puppies are raised in more nurturing, enriching environments that foster their confidence and provide early interactive experiences, they are much more likely to reach their potential to become guide dogs. Thanks to your generosity, we completed our 28,000 square foot Puppy Center on our California campus in 2020! The Center provides enhancements in enrichment and socialization, biosecurity, and improved working environments.
