

STRONGER TOGETHER

**Guide Dogs
for the Blind**

Annual Report 2019

FROM THE CEO

If there is one thing that I know for certain to be true at Guide Dogs for the Blind, it's that we are stronger together. Our community of clients, volunteers, staff, and donors are the epitome of strength in numbers, and the support we enjoy from each other is truly what sets our mission apart. Our canine heroes reap the benefits of this strong community as well, as they are supported every step of the way in their life-changing work.

As I reflect on this past year, I can't thank you enough for your generous support of our mission. Thanks to you, we are making progress toward our vision of a world with greater inclusion, opportunity, and independence through optimization of the unique capabilities of people and dogs. I am very grateful for your trust and belief in our organization, and can't wait to see what our future holds... together!

“I love the graduations. They are always filled with hope, happiness, and a wonderful sense of what the future will bring for the graduating students. And, who can’t love the bond that has already been forged between the student and their new companion in life? I support GDB because the work they do is life changing.”

“I have always admired Guide Dogs for the Blind and its mission to help those who are visually impaired and provide companionship in daily life. For many years, my late husband, James Forrest Vedder, and I had always supported organizations that are important to us. And, now, later, I am able to do more. I support GDB in memory of Jim.”

“We have experienced great pride as GDB puppy raisers. The first dog that we raised, *Madge*, graduated as a guide dog and together with her partner traveled to 13 countries and 26 states! The amazing life power demonstrated by this GDB team has given us continued interest in supporting the GDB mission.”
