Guide Dogs
FOR THE BLIND

WHO WE ARE

At Guide Dogs for the Blind, we believe that everyone deserves to move through the world safely and confidently—to live the life they want to live.

Our passionate community employs innovative practices to create life-changing partnerships. And, we advocate for policy reforms that change how the world views blindness and disability.

Because when everyone is empowered to participate, our communities are stronger.

FROM THE CEO

Greetings,

You are amazing! The difference you make by supporting Guide Dogs for the Blind (GDB) is nothing short of extraordinary. During fiscal year 2022, GDB celebrated 80 years of empowering clients to live the life they want to live. And you helped make it all happen!

With the support of our community, GDB's mission has expanded over the past eight decades to serve three types of clients: our traditional guide dog clients, Orientation and Mobility Immersion (O&M) clients who acquire skills to work with a cane or a canine, and K9 Buddy recipients who are paired with specially selected dogs that provide critical companionship and so much more.

Whether a client has a guide dog, a K9 Buddy, or acquires the skills to travel by cane independently, we know one thing for sure: your support is changing lives. So yes, you are amazing. Your support is enriching lives, fostering inclusion, strengthening bonds, and making our communities stronger. Thank you for all you do. Together, we are unstoppable!

With gratitude,

A handwritten signature in black ink, appearing to read "Christine Benninger".

Christine Benninger
President and CEO

TOGETHER, WE

"The thing I love about Guide Dogs for the Blind is they support you from the moment you get the dog to the moment you retire the dog, or it passes. Once you graduate, if anything comes up, they'll handle it in person or by phone. And if there's ever any financial support you need with medical expenses, they are also extremely supportive with that as well."

—Barbara Oleynick with
guide dog *Vallejo*

"My son's K9 Buddy, Laredo, has expanded his world socially and emotionally. Having a dog is a social bridge that helps Kai connect to others. When children in the neighborhood have conversations about their dogs, Kai enthusiastically joins in those conversations."

—Mina Sun

"Laredo makes our family more fun and exciting!"

—Kai Sun with K9 Buddy *Laredo*

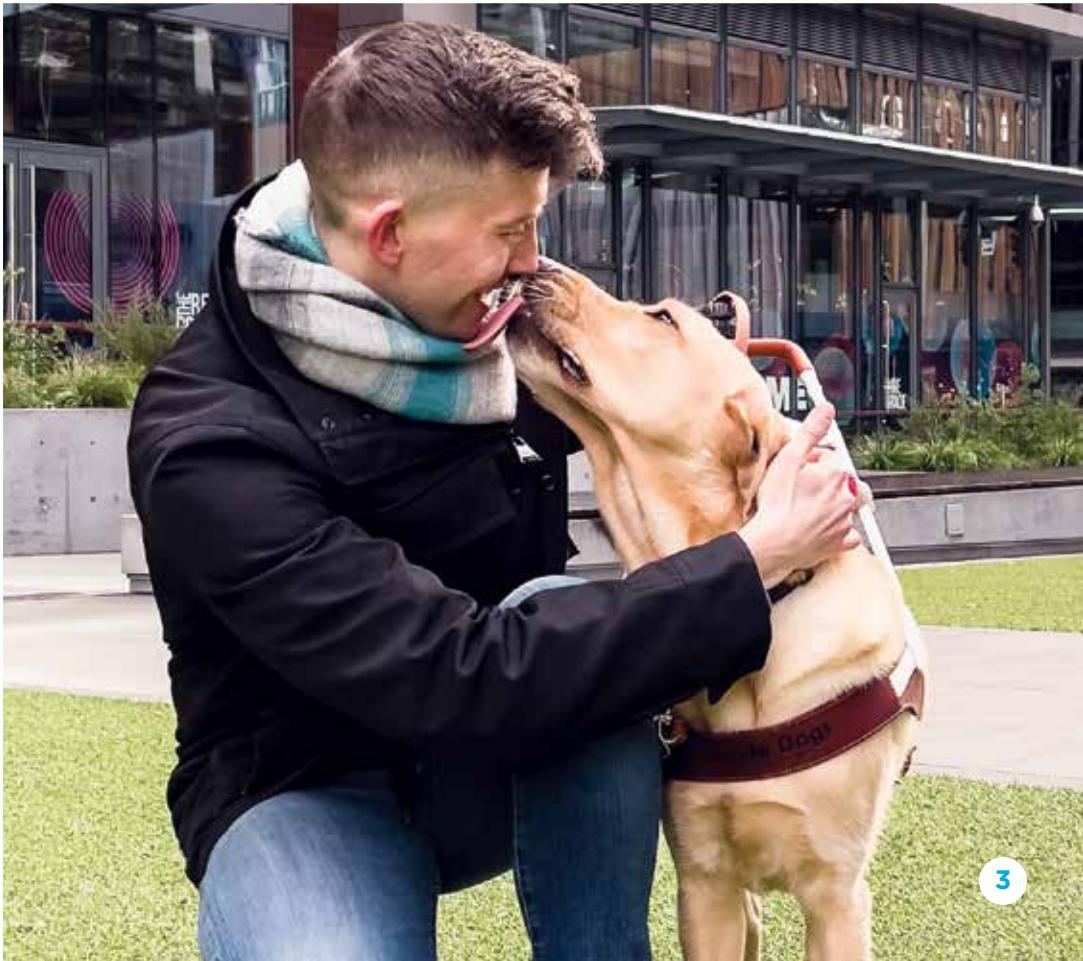

CAN DO MORE!

"To be able to freely leave my home, and go anywhere with confidence; without any fear, intimidation, or anxiety is so wonderful. I feel like I can do more now than I have ever been able to do."

—Paul Castle with guide dog *Maple*

"The Orientation and Mobility Immersion Program is incredible. I gained so many skills and everyone was so friendly and helpful—you can tell they love what they do. The accommodations were amazing! The food was great, the room was comfortable, and I always felt safe. I intend to continue to work on my skills so I can be ready for a guide dog in a year or two."

—Kevin Tye

GDB's free Orientation & Mobility Immersion Program helps people develop travel skills that are most relevant to guide dog mobility.

CELEBRATING

YEARS!

GDB was founded in May 1942 to provide guide dogs to World War II veterans who lost their sight from injuries sustained in the war. Since then, we have become the largest guide dog school in North America serving over 16,000 people of all ages. We partner clients with exceptional guide dogs or K9 Buddy dogs and empower others to move through the world more safely and confidently though enhanced navigational skills.

Moving forward, our plans are bold. Your continued support will help GDB:

- Continue to train the world's premier guide dogs to serve more people
- Enable more clients to achieve their dreams through expansion of our Guide Dog, Orientation & Mobility Immersion, and K9 Buddy programs
- Expand our Veterinary Financial Assistance Program to cover K9 Buddies
- Introduce more youth to the guide dog lifestyle
- Serve as an innovative global leader in creating more inclusive communities

***Because of you, our team is ready for the future.
Together, we are unstoppable!***

OUR MISSION

Guide Dogs for the Blind harnesses the power of partnerships—connecting people, dogs, and communities—to transform the lives of individuals with visual impairments.

OUR VISION

An inclusive world where people with visual impairments have equal opportunities and live full, independent lives.
